I. Daily_Meeting_2

- General discussions on how to conduct a general survey among IIITG student community among the members took place. The following points were highlighted during the meeting:-
 1. The members were required to produce a document consisting of the set of questions that were supposed to be asked to users.
 2. After the set of questions were prepared Mr. Ashutosh Kumar was assigned the task to conduct interviews.
- The meeting was concluded with the above objectives but no interviews were conducted on that day.
