Nilesh Agarwal 1601037

Shikhar Yadav 1601049

## I. Daily\_Meeting\_15

- We initialized our discussion by some modification in class diagram. Some of the redundancies were considered for removal.
- We discussed about collaboration diagram. Collaboration diagrams which is also called as communication Diagrams are used to show how objects interact to perform the behavior of a particular use case, or a part of a use case.
- Finally we drew the collaboration diagram on lucidchart(UML Diagram Platform).
