Foodie

Ashutosh Kumar 1601010   Nilesh Agarwal 1601037   Shikhar Yadav 1601049

I. Daily_Meeting_30

- The meeting was initialized with discussions on the problems faced in the tasks assigned in previous meeting.

- We discussed on how to make templates using django.

- We discussed about how to integrate a downloaded template in django.

- We then shifted our focus on choosing a template for our foodie website.
